1 Dark ash / Teak color

2 Terminal

3 Soft dome tweeter
▶ with thermal dissipator

4 Midrange
▶ 5" in fiber glass

5 Woofer
▶ 6,5" paper cone

6 Port in the front

7 Attaches for grill

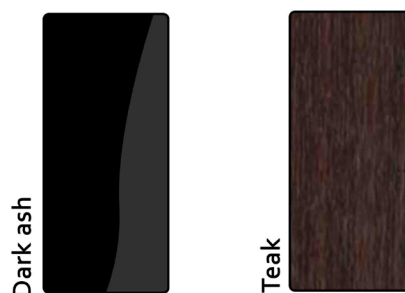

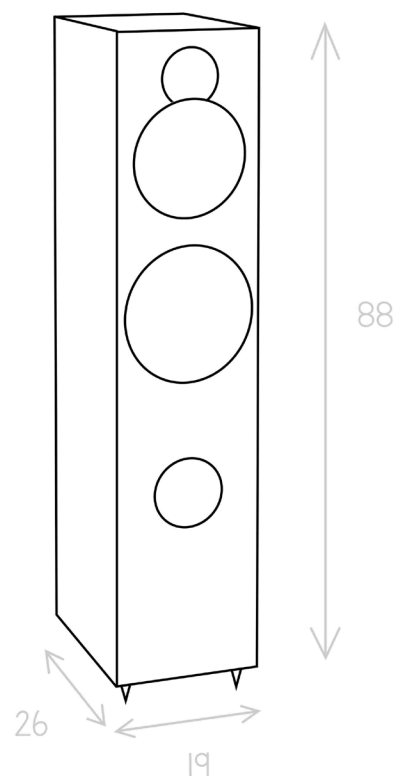

• THE OPINION OF THE LAB

Compact and elegant, the MIA 60 tower speaker is built using 3-way technology in a premium hifi configuration. Sound comes into its own in your listening room, with a dynamic bass and high precision of midrange and high frequencies.

The front port low on the speaker ensures a good reproduction of bass sounds, wherever is the positioning in the room.

Our recommendations :

- At least 3 m (10 feet) between the 2 speakers
