

Revox speakers True studio sound quality

Revox Prestige G140

Fronted in 8 mm thick glass, the appearance of the Prestige G140 prepares you for the acoustics you're about to hear: clear sound reproduction which is authentic to the finest detail, with profound bass tones, clearly defined midrange pitch and precise high notes.

Four long-stroke woofers, a low-distortion midrange driver and a tweeter with large textile diaphragm ensure the tremendously precise and powerful spatial sound of the Revox Prestige G140.
