

Revox speakers True studio sound quality

Revox Shelf G70

The ideal speaker for the bookshelf and the workplace. With its file-binder format, this 2-way loudspeaker delivers a perfect sound whilst occupying the minimum space. Actually, it is something of a shame to hide this compact "sound converter" with its high-quality, silver lacquered MDF housing and its black-backed, solid glass front, on a shelf. With its wall-mounting kit, you can position the Shelf G70 for optimum results.
