

MS500 music streamer

- The sophisticated yet simple to use MS500 Music Streamer seamlessly integrates both your internet based streaming music and locally stored digital music into one comprehensive device.
- Embedded streaming services¹ include Deezer, Murfie, Pandora®, Rhapsody®, SiriusXM®, Slacker, Spotify®, TIDAL and TuneIn.
- The Linux based operating system brings stability and is extremely responsive to input commands for a refined user experience.
- Local music and the operating system are stored on a durable 500GB internal solid state drive.
- Runs ultra-quiet with no noisy cooling fans to interfere with your music listening.
- Can access Amazon Cloud Drive, Apple iCloud or Google Drive for secure content backup and synchronization across multiple homes or locations.
- Easy, intuitive control via free iOS or Android apps, web browser, or a remote control with TV interface.

1. All services may not be available in all regions; certain services may not yet be enabled for all apps; subscriptions may be required. List subject to change.

iPhone shown with McIntosh Media Bridge control app. iPhone not included. iPad and Android apps also available.

(9.8cm) x 16" (40.64cm)

Weight:

13.5 lbs (6.1 kg) net,

28 lbs (12.7 kg) in shipping carton

Limitations on Non-McIntosh-Provided Services:

Certain McIntosh Products are designed to employ non-McIntosh-provided services (such as, by way of example only, Amazon Cloud, Pandora, etc.), some of which require separate customer subscriptions and some of which do not, as part of the Products' functionality. Because McIntosh cannot control the providers of such services or the services themselves, the owner of the Product therefore assumes all risks related to the

use of services provided by anyone other than McIntosh itself. McIntosh cannot and does not warrant against, and shall have no liability of any kind for any of the following that are attributable to non-McIntosh providers or services: (i) interruption, discontinuance, or other unsatisfactory performance of service; (ii) reduced Product functionality that is so attributable; or (iii) any other loss or damage of any kind that is so attributable.

For the Consumer's Protection:

In order to ensure the highest level of customer satisfaction, new McIntosh products may only be purchased from an Authorized McIntosh Dealer; and, with certain limited exceptions may only be purchased over-the-counter or delivered and installed by the Authorized McIntosh Dealer. McIntosh does not warrant, in any way, products that are purchased from anyone who is not an Authorized McIntosh Dealer, or that have had their serial numbers altered or defaced.

Companion Products

The MS500 Music Streamer may be added to any system where streaming music from the web or local hard drives is desired, or where local storage of digital music is needed. Your Authorized Dealer can provide additional information on other McIntosh products.
