## ACUTUS REFERENCE™

"Paints a soundstage of realism that will leave you listening for hours"

Welcome, to true audiophile quality.

Our mid-range Acutus powers the Classic model to new heights of musicality, painting a virtual soundstage of realism that will leave you listening for hours.

Reference provides not just a subjective difference over the Classic, but an instantly obvious lowering of the noise floor with extensions of both bass and treble and a significant dynamic improvement.

Capturing your ears with increased highs and powerful lows, with plummeting noise levels producing the renowned inky black backgrounds associated with our turntables, this is a masterpiece of engineering that will redefine your emotional connection with music.

Records will stimulate you, becoming an experience similar to a live venue, experiences that can be relived time after time, long into the nights. An experience that goes beyond listening.

The Reference power supply is a visually striking piece of engineering, elevating the mechanical perfection of the Acutus. Like a luxury sports car, the drive motor is powerful yet smooth and refined, revealing performances with such clarity that it transports you to the recording environment and lays bare everything that transpired.

SPECIFICATIONS	
<b>DRIVE</b>	Twin Belt Drive
<b>SPEEDS</b>	33.3 & 45.0 RPM (Adjustable)
<b>PLATTER MASS</b>	10.0kg
<b>PLATTER MATERIAL</b>	Aluminium
<b>BEARING</b>	Inverted Satinless Steel
<b>THRUST POINT</b>	Tungsten Carbide / Sapphire
<b>SUSPENSION</b>	3 point sprung (W:2.5Hz / L-4.5Hz)
<b>TONEARM FITTING</b>	Pre cut for AVID/SME (Not Included)
<b>ADAPTERS</b>	YES (Available on Request)
<b>MOTOR</b>	24v 140mNm AC Synchronous (Hand Built)
<b>POWER SUPPLY</b>	Separate DSP Vari-Speed PSU
<b>VOLTAGE INPUT</b>	110-240vAC 50/60Hz 300W MAX (Regional)
<b>DIMENSIONS</b>	460 x 400 x 210 (mm) WxDxH (Turntable) 415 x 350 x 140 (mm) WxDxH (PSU)
<b>NET WEIGHT</b>	19.0kg (42lb) (Turntable) 21.0kg (45lb) (PSU)
<b>PACKAGING</b>	550 x 500 x 570 (mm) WxDxH (Turntable) 700 x 500 x 280 (mm) WxDxH (PSU)
<b>SHIPPING WEIGHT</b>	51.0kg (113lb)
