

DENON HOME 350

UPGRADE TO
SUPERB WIRELESS SOUND

Wireless Whole-Home Audio

The powerful Denon Home 350 with its amazing sound stage takes your music into every corner, even in large rooms. Pair it with another Denon Home 350 for stereo or combine it with other HEOS Built-in products.

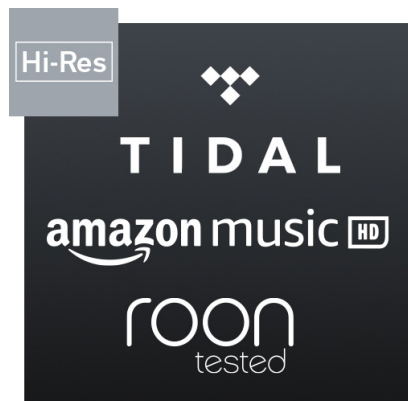

Clear Highs and Deep Lows

Like every Denon the Denon Home 350 is built to deliver amazing audio quality. With advanced acoustic hardware, expertly tuned digital signal processing and premium drivers, the Denon Home 350 delivers the clearest highs and deepest lows.

Internet Radio and Music Streaming

All the great music services are fully integrated: Spotify Free and Premium, Amazon Music HD, TIDAL, TuneIn, Deezer and more via Wi-Fi, AirPlay 2 or Bluetooth connection.

Hi-Res Audio Playback

Set the mood that's just right with your personal music collection – even in high-resolution including 192kHz/24-bit FLAC, WAV, ALAC and DSD 2.8/5.6MHz files.

Effortless Setup & Operation

The HEOS App is all you need to get started. Download it from the Apple Store or the Play Store and integrate the Denon Home 350 into your home network within minutes. Control everything easily with your mobile device and make use of quick pre-selections with just a gentle touch.

A Great Composition

With its elegant design and its exquisite materials the Denon Home 350 is striking enough to catch the attention at first glance. And yet it is subtle enough to blend into your style perfectly, meeting highest aesthetic demands. Black or white? Choose your Denon Home 350.
