SV-228

Hybrid Integrated Amplifier

It is time …
… to present a new release from a Vincent amplifier line with a long tradition. The new Vincent SV-228 is the natural evolutionary step in the succession of the PowerLine units from the Vincent SV-226 through the SV-226MK, SV-226MKII, SV-227 and SV-227MK.
The SV-228 presents itself in a completely new "outfit", with a VU meter embedded in the front panel. The colored backlight can be switched using a slide switcher on the backside.

Also the inputs of the amplifier have been changed. Now the new SV-228 has a Bluetooth input (vers. 5.0) for wireless streaming.
For homecinema fans we have added a Main Input, which allows to use the unit as a power amplifier. Here you can connect an A/V preamplifier for example.
Internally 3 valves (1 x 6N4, 2 x JJ ECC82) are working in the input stage, which are preparing the music signal before it is passed to the output stage. For the final amplification Toshiba A1941 transistors are used, which generating an output power of max. 180 Watts per channel. Enough power to drive also critical speakers.

PRODUCT INFORMATION

SV-228

Hybrid Integrated Amplifier

In terms of sound, the SV-228 is in no way inferior to its predecessors. Quite the contrary – dynamics and fine resolution have been improved, without losing it's natural and warm characteristics. Of course, the SV-228 has an Auto-Shut-Down function definde by the Ecodesign Regulation, which can be switched off by a switcher on the backside of the unit.

SV-228

Connections

TECHNICAL SPECIFICATIONS

Frequency Response	20 Hz – 20 kHz (±0.5 dB)
	20 Hz – 50 kHz (±2 dB)
Nominal Output Power RMS / 8 Ohm	2 x 100 Watt
Nominal Output Power RMS / 4 Ohm	2 x 180 Watt
Total Harmonic Distortion	< 0.1% (1 kHz, 1 W)
Input Sensitivity	560 mV
Signal to Noise Ratio	> 90 dB
Input Impedance	47 kOhm
Max. Power Consumption	350 Watt
Inputs	2 x Stereo RCA, 1 x Coaxial, 1 x Optical, 1 x Stereo Main In
Outputs	1 x Stereo Pre Out, 1 x Stereo Rec Out, 4 x 2 Speaker Terminals
Tubes	1 x 6N4, 2 x ECC82
Playable Digital Formats	WAV, FLAC, APE, LPCM, MP3, AAC, AC3, WMA
Colour	Black, Silver
Weight	15.5 kg
Dimensions (W x H x D)	430 x 152 x 450 mm
