**This pricelist is valid from 1st of July 2021 and replace all previous pricelists effective immediately  
All prices are recommended retail prices VAT included**

**These prices will be applicable on all orders received prior to 30th of June, where prepayment has not been received latest 9th of July, and all orders received after the 30th of June 2021**

Throughout the past 8 years, Vitus Audio have only increased prices when absolutely needed, or related to new upgraded models. Production efficiency, optimizations, and adding production robots, has made this stability possible. However, prices are now due for updates.

Beginning January 1st 2023 prices will annually increase by between 3-5 %, not taking into account excessive material costs, and normal inflation.
